

"Cars are works of Art"

ABOUT AUTOMANIA: The largest free to the public Automotive Event in the Midwest is back! We plan to have hundreds of vehicles on display and quality food, automotive, and specialty vendors! We are putting it back on this year at SpringBrooke golf course, in Beaver creek, MN!

Classic Car enthusiasts come to show their pride and joys from 20 different states! Tens of thousands of people attended consistently, and several times AutoMania had around 1,500 vehicles on display.

OUR HISTORY: Automania, which was born in Sioux Falls in 2006, had a successful first year! AutoMania in downtown Sioux Falls, was a huge success with over 800 cars, four live bands, and tens of thousands of people.

Over the years, AutoMania grew beyond capacity. Around the time the internal cities could no longer accommodate AutoMania, Rick and Sonja Gourley purchased a property in Beaver Creek.

For many years AutoMania has been the largest car show in the Midwest and has been held year after year for over 10 years in the Sioux Falls Area.
